*Today we celebrate the Mystery of the Resurrection of Jesus Christ who is Risen Today! As the song states: "Jesus Christ is Risen Today!" and we mean that literally. Easter is not a celebration of a past event, but the celebration of a present reality. The Scripture indicates that the empty tomb did not prove for anyone the Resurrection, as exemplified by the couple traveling on the road to Emmaus back to their home and feeling downcast because they had not experienced the Risen Lord. However, in their journey they did come to experience the Risen Lord in the Breaking of the Bread. We, too, if we are open to it, will come to encounter the Risen Lord in the Breaking of the Bread which has come to be known as Eucharist. **Have a Blessed Easter.***
